

Barking Riverside Design Competition

Barking Riverside is a new sustainable community for 21st century London in the heart of the Thames Gateway. As one of the largest brownfield sites in the Gateway, it promises to become one of the most important and inspiring new communities in London. Home to 26,000 people it will deliver an exciting mix of high-density design offering a range of tenures and affordable homes.

High quality design is integral to every element of Barking Riverside, in order to ensure these aims were met a design competition for the first two phases of the development was undertaken earlier this year. A design panel of industry experts has also been created and has advised on the selection of two architectural practices who will deliver the first two phases of the scheme.
